Our brand new **St. Patrick's Road Stadium** plays host to the 2023 Mayfield Mini Football League.

Our children go head-to-head in a four team competition with medals and trophies on hand at each event.

Squad members who sign up must be available for all events during the Spring fixtures and must bring their football kit, boots, shin pads etc... to each event.

The yellow events are family ones where relatives can attend and are designed on a grander scale.

No adults/family members are allowed to attend the white events. Please refrain from watching from across the fence. This may lead to the cancellations of league fixtures.

This is another unique feature of our new Mayfield. We have developed our own stadium, have our own competitive league and ensure that all children have the chance to represent Mayfield FC.

No other schools are involved in the league.

This is a Mayfield only system and differs completely from Mr Baer's inter-school matches and tournaments and may include different children in the squads. Both run separate from each other.

Mr Denton runs the mini-league only.

PLAYER AND FAMILY INFORMATION & AGREEMENT

- ⇒ Squad members who sign up must be available for all events during the Spring fixtures and must bring their football kit, boots, shin pads etc... to all events.
- ⇒ **The yellow events are family ones where relatives can attend and are designed on a grander scale. No adults/family members are allowed to attend the white events. Please refrain from watching from across the fence. This may lead to the cancellations of league fixtures.**
 - ⇒ No other schools are involved in the league.
- ⇒ This is a Mayfield only system and differs completely from Mr Baer's inter-school matches and tournaments and may include different children in the squads. Both run separate from each other. Mr Denton runs the mini-league only and the management of other squads is not linked to this. Decision making by Mr Denton relates to mini-leagues only.
 - ⇒ Please ensure children are safely collected at the conclusion of each mini-league event.
- ⇒ If a child cannot attend an event (for a reason other than illness) or does not wish to continue taking part then it is the role of that individual child to speak with Mr Denton in advance. Non-attendance without communication is not acceptable. Please encourage your child to maintain that communication.
 - ⇒ Children will, for most events, be provided with a kit for their team. Children, however, should bring a kit from home for all events.
 - ⇒ We reserve the right for any child to be removed from the mini-league systems should their behaviour at these events not meet the high standards demanded by Mr Denton. This is an optional curricular enrichment opportunity and therefore children can be withdrawn if this is deemed to be of greater benefit to the other members of the group due to poor conduct.

ADULTS KEY MESSAGE

Mr Denton (or another teacher) will referee each game. Any abuse or criticisms of decisions will not be tolerated. We must be accepting that all decisions will be made to the best of their ability and everyone in attendance must be accepting of that and that mistakes will be made and that points of view will differ. Failure to do so may lead to individuals being asked to leave the site, be banned from future events or lead to the immediate cancellation of the ongoing event.

I understand the systems and conditions set out above and we agree to follow these and thereby give consent for _____ to become a member of the Mayfield Mini Football League squads.
