16. Behaviour Policy*

(These are processes and systems that should be read in conjunction with
16.1 Anti Bullying Policy)

our Vision. Our intention. Always start with why!

Valuing

Every Achievement

Social - Academic - Moral - Personal

We know that intention can be easy words that look and sound effective. Our true intention is one that is enabled and implemented by the actions we take to show that we mean what we say. Mayfield is committed to building a school that is viewed from the children's eyes. We ask ourselves: How will they approach this? What do they already know? What skills will they bring? Which groups require input? How do we need to teach this? What will engage them? How long do they need? What do they need us to teach them now?

So....

we know our children must be the busiest people in any room. Children must have 'active purpose' and we must erase 'learned helplessness'. Our children's starting points are a vital consideration. We must keep teaching groups as small and precise as possible. Their independence and resilience is imperative. Their strong attendance and punctuality is paramount. We want **everyone** to embrace mistakes and never be afraid to learn from them. We will draft, repeat, refine and polish to achieve lasting progress. Learning is not a rapid, one stop shop. We will talk, listen, perform and present to foster confidence. We must rapidly build vocabulary. Marking **must** have a clear purpose, a response and be as 'live' as possible. We are constantly developing a curriculum that meets our children's needs and it must utilise and embrace our unique location. Classroom layout and design is essential. A unique environment must be generated. We must provide a flexible and responsive timetable and lesson structure. Our teachers must adopt and explore many teaching styles. Social times are a chance for new ideas and to be viewed as a new opportunity and we must be insistent and consistent to foster positive behaviours. We are not afraid to change. We will dare to do and learn. We will challenge established thinking.

We will use common sense. We accept the fallibility of being human. We are not perfect.

We are proud to accept and respect everyone.

Enabling

Every Achievement

Genuine. Honest. Passionate. Take our hand. Change the landscape.

*** Mayfield Primary School is committed to valuing diversity and to equality of opportunity. We aim to create and promote an environment in which pupils, parents/carers and staff are treated fairly and with respect, and feel able to contribute to the best of their abilities. July 2023 REWARD SYSTEMS

THREE CLEAR LEVELS

LEVEL 1: House Tokens (Focus on the academic achievements and the social and moral achievements and linked to Star Safe Behaviour). Lunchtime Star of Safety Trams.

LEVEL 2: Nomination for a school level award.

LEVEL 3: Nomination for 'Roll of Honour' or school leadership role: Ambassadors; Sports Captains....

Children should receive house tokens as rewards in the first instance. House tokens should be posted in the clear plastic boxes in the Pride of Mayfield Corridor. Totals will be announced at Friday Assembly each week. The winning team adds a rosette to their chart. The most rosettes at the end of each term win a house prize. Star of Safety trams are updated each day by our Lunchtime Sports Play Leader (CLI) to denote the level of safe and inclusive behaviour during our key social time within school. The class with the longest tram journey win an additional outdoor reward session on the following Monday after 1.00pm.

Mayfield Merit Awards are awarded to one or two children each Friday. Please complete sheet in staff room by Thursday teatime at the latest. Headteacher's Award is given to one child each Friday. Achievement/Deputy Headteacher Award is given to one child each Friday. Always Stars are awarded to one child by each teaching assistant each week.

Roll of Honour is awarded to one pupil in each class every term at a special assembly. Children can be nominated for leadership roles across school.

** Dojos are not to be used at all.*

SEE APPENDIX A FOR STAR OF SAFETY (THIS IS DUE FOR RENEWAL WITH THE CHILDREN IN AUTUMN 2023).

SANCTION SYSTEM

LEVEL 1: Teacher Reminder

LEVEL 2: Verbal Warning (Initials recorded on white card.)

LEVEL 3: Yellow Card (Visit Headteacher or Other Senior Leader with Card – Chaperoned back to class by SLT afterwards. SLT can determine whether this level requires contact with home – this may be when a trend of regular yellow cards are appearing.)

LEVEL 4: Red Card (Visit Headteacher or Other Senior Leader with Card – Chaperoned back to class by SLT afterwards. Letter sent home by SLT supported by phonecall/contact with home at the end of the school day from the class teacher.)

LEVEL 5: Behaviour Contract

If, in the view of the SLT member dealing with the incident, the Red Card, and/or current level of need/behaviour, warrants a meeting with family members then this would be arranged by the class teacher.

The Class Teacher and member of the SLT would then attend a meeting to agree a daily behaviour contract. The length of the initial contract would be determined by staff and will involve the session by session reporting of progress to the senior leader involved.

This contract will then sent home each day.

Contact with home will be required upon the end of the initial contract. A review meeting may be needed if staff deem it necessary. This would be supported by the use of the contract renewal/contract end letter.

LEVEL 6: Exclusion Level (Not directly linked to the internal levels above and operates in line with LCC exclusion thresholds and criteria.)

Whilst they are hierarchical, it is not necessary to go through each level in order to escalate matters, although usually for class based situations levels 1 to 4 would be a likely, logical step-by-step process. We must ensure that for extreme situations that we can escalate to the appropriate level. The timescale for escalation is the call of the class teacher and SLT. Every day the system starts again unless Level 5 is in use (Level 6 will depend upon the exclusion timescale). We must adopt the philosophy of every day is a new beginning and a new opportunity with sanctions being instant as much as possible/reasonable and every achievement being valued and not lost within a negative cycle.

If a child reaches Red Card level then they will start at Level 1 again. Meaning that they can attain more than one red card in a day.

This system is also to be used at lunchtimes with Mrs Lloyd determining whether a yellow or red card should be issued. If issued then the child concerned would need to report to the Headteacher's Office as soon as possible – i.e. not whilst eating their lunch or not whilst the Headteacher is leading a lunchtime zone. If this is the case the child should report to the office at the soonest point after this and remain on the blue seats until the matter is dealt with. In the absence of the Headteacher, the Deputy Headteacher, or other member of the SLT, may be called upon.

No other systems should be used at any time of the school day.

If the senior leader involved is doubtful whether yellow or red card is the correct course of action then they may discuss this with the class teacher. They will always openly support the class teacher whilst the child is present and any discussions would be at a relevant confidential point. The senior leader will have the final say should there be any doubt as to the direction.

Any member of staff can use the system but non-teaching staff should refer their level of sanction to the person responsible for leading learning if they deem a yellow or red card level is being recommended. It is their call on whether to deploy a reminder or warning.

When teaching assistants or HLTA are covering classes they are to make the call on whether a yellow or red card should be issued.

THE ATTITUDE TO LEARNING MATRIX (APPENDIX B) SHOULD BE USED AS THE BASIS FOR DECISION MAKING IN ALL CASES.
