CLASSES FOR SEPTEMBER 2024

Here are the class line ups for September. The only changes will see **Mrs Gaskell** exchange year groups with **Mrs McLintock** and almost the same for **Mrs Duerden** and **Mrs Czarnecka**. The children have been told about the plans today.

In addition to this, the classes, and individuals, will be supported as ever by our fabulous teaching assistant team.

Children will visit their new teacher on **WEDNESDAY 17TH JULY** from 9.30-11.30.

Everyone should arrive as normal on that day via their usual doors.

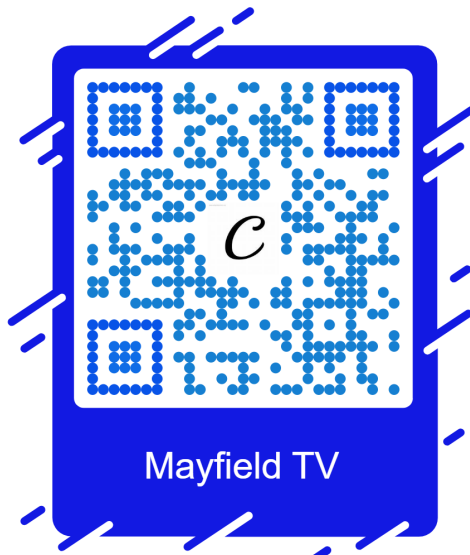

A **MEET THE TEACHER** opportunity will be available in September as usual.

You will notice two year four classes this year. This is due to the continued growth and popularity of school as children and families continue to join our journey from both the local area and beyond. Excellent news. The growing numbers in school is fabulous, but this also means that we often need to alter the number of classes in different year groups to accommodate this and to keep number in classes as low as possible.

Families of children in Year 4 and Year 6 will have received a separate printed letter and a digital email copy today explaining how the classes will work.
