## WRAP AROUND OFFER: JOIN NOW

The cheapest wrap around offer in the area is available each day to all families. School is open from 7.30am for Early Risers Breakfast Club and After School's Cool runs until 5.30pm. No journeys off-site for the children (e.g. walking on busy streets or driving on hectic roads at school closing times with cars everywhere) once they are here they are safe throughout the day and working with adults that are going to be with them during their Mayfield journey. If you need wrap around provision make contact with the school office and the children can start the following day. Our After School provision includes a number of different play zones and a dedicated Sports Cool hour just for our children at the club, led by our friends at Sports Cool. This includes the popular Lazer Tag which the children love. Newly resourced and ready to use and with plans in place for expansion in the months ahead. In being a school, we are lucky to have huge space both indoors and outdoors which puts us at an advantage over many other providers and remember that you are investing in your child's school. The more children that attend, the more we can grow and improve our offer further. There are no profit margins here, this is purely about provision and every penny is sustaining a vital offer for your school. There is also a safe, private car park for collection from After School's Cool available each day. If you are new to school or have a change in circumstances come along and join our wrap around provision. The more children that use our offer, the quicker we can grow and enhance this.
