Mayfield Primary School, Lytham St Annes

Headteacher: Mr G T Denton Date: Friday 4th October

'Ready For The Future'

MRS MILLER

Mrs Miller has been asked to support a school in the local region and will be heading over there from Monday next week in an Associate Headteacher role. This is for next few weeks at least and will see her taking on a similar role to her recent work at Weeton St Michaels. The hugely positive impact she made there has meant that the local authority have moved swiftly to request her help with another school in need of some immediate support. I think a really positive sign for any school is when their ideas and staff are sought after and we take it as a great compliment that a number of us are now sharing our systems and methods with schools aiming to reach the position we have. Good luck Mrs Miller. She will be back home with us soon.

I also want to reassure everyone that this will not detract from our work or affect our systems or progress. Mrs Miller's previous extended time away meant that school had to adapt its structure and open opportunities to further members of the team. We will simply put that back into place and resume the status we had in July. Growing experience in leadership roles and spreading opportunity is helping to add capacity to school and in turn means we are confident and able to do more and to higher levels, so this has the continued potential to be a hugely beneficial next step for all concerned.

We won't see Mrs Miller in the playground in the weeks ahead but the rest of us will be around as usual. I will relay any little revisions to responsibilities to you all via **The Headlines** in the weeks ahead.

WORLD MENTAL HEALTH DAY: THURSDAY 10TH OCTOBER

WEAR SOMETHING YELLOW TO SUPPORT YOUNG MINDS.

As per our most recent social media posts, we have decided to put the school's weight behind the forthcoming World Mental Health Day. Although not previously announced we feel this fits with much of our pastoral work in school and raises awareness of challenges that we all face including within our community. In order to show our support and backing we have decided to adopt **NON-UNIFORM NEXT THURSDAY 10TH OCTOBER**, with the children wearing an optional yellow item to show their outward support. Please do not go out and buy yellow items. If you have something that your child would like to wear to show support then brilliant but there is no pressure. Equally, it is a tracksuit day in school so if you would rather your child wear their regular tracksuit or parts of this then that is also fine. We simply want to show our support for a matter which is close to the hearts and thoughts of everyone within school.

HAVE A LOOK AT THE OPPORTUNITIES BELOW IN THE HALF-TERM BREAK THROUGH OUR FRIENDS AND PARTNERS AT RAISE-A-RUCKUS THEATRE COMPANY AND THE PAULINE QUIRKE ACADEMY.

Both events take place in our school ABC Theatre. Any interested families should follow the links on the flyers. Bookings cannot be made through school.
