

Mayfield Primary School

WIDER AND EXTRA CURRICULAR OFFER BOOKING LETTER: SPRING

Take a look at the attached, updated curriculum enrichment and clubs offer for 2024/2025.

Many of the new clubs established in Autumn Term continue through spring, alongside some new offers outlined below. Please read ALL the requirements for each club before signing your child up for them. **You are committing above all else to ensuring your child attends each session. Many of these clubs require commitment every week as they lead towards an important final outcome. Failing to attend hugely disrupts the clubs work and the chance for the children who attend every week to achieve the highest quality of final outcome.**

If you sign up, then you are agreeing to attend ALL sessions (illness excepting).

Below is the booking sheet for Spring Term that you need to return to school with your requests. **The deadline is next Tuesday 17th December for the return of this letter.** It is **not** a first-come-first-served system. If the form is not returned then we will assume that your child does not wish to join any new clubs this term and will simply remain with the club choices made for Autumn Term. Expressing interest does not mean you have a place. We will contact you in the first week back in January to confirm places.

All after school clubs then start from Monday 13th January with the last date being Thursday 3rd April unless otherwise stated.

A fresh booking letter will be issued for Summer Term clubs in April. **All clubs run from end of school day to 4.15pm unless stated.**

CHILD'S NAME: _____
