

How to upload work onto a child's profile

This is useful for uploading work done by the children that is not set or is separate to Purple Mash.

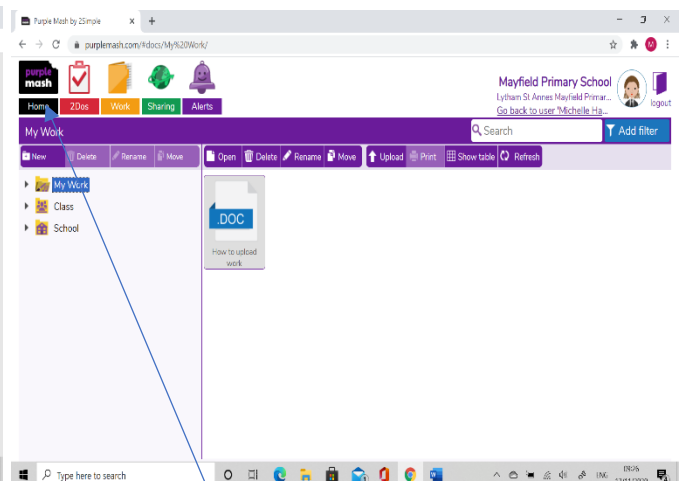

Log in using Purple Mash login details. This will take you to the Purple Mash homepage.

- Select the yellow 'work' folder tab.
 - Select 'my work' and ensure it is highlighted.
 - To upload work, select the 'upload' purple tab.
- Select the blue arrow.
 - Choose which file you want to upload.

Select 'Done' when finished.
This will save your work in the 'my work' folder.

Select 'home' to take you back to the homepage.
